**Subject:** Coyote Valley

Dear Mr. Yakubu,

I'm writing to you about development in Coyote Valley. Please evaluate development needs cityside before committing to development of Coyote Valley and strengthen rather than completely abandon General Plan "development triggers." This region doesn't need development that increases sprawl and traffic and worsens the jobs/housing imbalance.

Please distribute this email to the entire Coyote Valley Task Force. Thank you.

Mark Reedy  
(former member of Sierra Club Loma Prieta Chapter Executive Committee)
